HITCHHAMMER INSTALLATION

STEP 1

Insert the HitchHammer product into a compatible 2" receiver.

STEP 2

Use hitch pin to secure HitchHammer into the deepest position allowed by your receiver.

STEP 3

You're done. That was easy.
NEVER use your HitchHammer as a step.

PROTECT YOUR INVESTMENT

HitchHammer stands ready to perform in every environment. Whether you have a truck, SUV, or any vehicle with a standard 2" hitch receiver, HitchHammer gives you the added protection you need for peace of mind. Perfect for rural, suburban or city use.

PATENT PENDING

FAILURE TO FOLLOW INSTRUCTIONS MAY CAUSE SERIOUS INJURY OR VEHICLE DAMAGE

Always secure HitchHammer in place with a hitch pin; failure to do so may result in vehicle damage, serious injury and/or death. Product is not designed to protect against vehicle damage in the event of an accident. Product is not designed to protect vehicle operator and/or occupants in the event of an accident. **Never use product as a step.**
